Communityworks Matching Campaign Update

- ▶ We have a current matching grant opportunity to provide a 100% return on investment -- every dollar donated is matched by a dollar up to a total of \$ 2 million.
- ▶ As 8/12/2010 we have received \$896,000 toward our \$2 million matching goal. We have 13 months remaining to achieve the \$2 million match.
- ▶ Reaching this goal will mean that a total of **\$6 million** comes into the community to support the Communityworks partnership.
